Greetings Current and Future STMA Knights Dance Team Sponsor,

The award-winning Knights Dance Team represents the St. Michael-Albertville High School in St. Michael, Minnesota. The Knights Dance Team was formed in 2017 and provides students in grades 8-12 an opportunity to represent their school and dance competitively in both the jazz and kick styles of dance.

Though the dance team competes in winter, they begin their preseason training in June to prepare for the upcoming season. A typical summer consists of six weeks of dance team cardio and technique boot camp. A four-day summer dance camp in Brainerd is also offered at an additional cost to our dancers. The competitive winter season officially begins at the end of October and runs through February. Dancers compete in the Lakes Conference meets, invites, and sections.

The Knights Dance Team was established 10 years ago and, as part of the approval process to become an official STMA sport, our program is responsible for funding 95% of its operating costs. These expenses include: JV/B-squad coaches, entrance fees for dance meets, costumes, team apparel/gear, and additional training opportunities. In addition to sponsorships, our dancers and families help support the program in several ways. Each dancer pays a team participation fee, in addition to the district activity fee, and our team also works hard throughout the year to raise funds through a variety of fundraising efforts.

In addition to fundraising, we rely on the generous financial support of our local community in the form of sponsorships. Our sponsors help offset additional out-of-pocket costs to our dancers, making the Knights Dance Team more affordable and accessible to every student. We humbly invite you to support our dancers by becoming a Knights Dance Team Business Sponsor. Your partnership directly impacts our program and helps provide our dancers with opportunities to train, compete, and grow. As a thank-you for your generous support, the Knights Dance Team will proudly promote your business within the STMA community through our KDT social media platforms.

Please review the enclosed information detailing the various levels of sponsorship and the benefits associated with each. The STMA Knights Dance Team Booster Club is a non-profit 501(c)3 organization, and all donations are tax deductible. If you have any questions, please feel free to reach out to myself or another member of the booster club.

Thanks in advance for your generous consideration. Go Knights!

Sincerely,

Samantha Cater

Vice President, STMA Knights Dance Team Booster Club
